

discover
townsville

Townsville is a vibrant region that encompasses beautiful coastal towns, rainforests, rugged outback and country terrain. It is one of those rare Queensland cities which offers a cosmopolitan buzz, yet still promises the kind of relaxing holiday that one will never want to end. Perfectly located on the coast, it's an escape bursting with possibilities: easy access to islands, the Great Barrier Reef and the wet tropics rainforests through Coral Princess Cruises.

Handy information

The Sunlander provides the best service to access this region from the south. The Tilt Train can be used as an alternative to The Sunlander.

The Tilt Train provides the best service from this region to the north. The Sunlander can be used as an alternative to the Tilt Train.
